Well Child Visits or Physicals are generally given according to the following schedule. Immunizations are given at most visits in the first 2 years of life, at 4-5 years of age and again at 11-12 years old. This can vary according to different vaccine schedules, delays in vaccines and variations amongst states, etc... This is meant only as a guide and may vary depending on your child's health.

Age of Patient

2-3 days after birth

2 Weeks
